

STATE OF OKLAHOMA  
OKLAHOMA DEPARTMENT OF LIBRARIES

**Dig into Reading Questionnaire**

Thank you for taking the time to fill out the 2013 Dig into Reading questionnaire. Your information is very valuable to us in how the reading program is effective to Oklahoma children's literacy. The literacy skills are the building blocks to introduce and support children in reading and learning. Your information will reported in State and Federal evaluations and used to further shape Oklahoma's public libraries future summer reading programs.

The questions below cover the time period of your local library's storytime or children's program during summer reading program. Your answers should reflect your oldest child between the ages of 0 – 11. Please check one answer for each question.
